

**FREE
TOOL KIT**

Share the news with your community on how they can create a **Wall of Heroes** for April, Month of the Military Child!

VIRGINIA OPERATION: MILITARY KIDS

We want to honor not only our Service members, but their children and families as well. A simple way for communities to get involved in this recognition is to have schools, civic groups, libraries, and other public organizations post a Wall of Heroes.

A Wall of Heroes includes a photo of the Service member and the child with a ribbon at the corner to fill in with the first name of the child and their relationship to the Service member. It is a great way to recognize our Service members and their families within our local communities. To receive a download of the photo mount template and order a free banner email meganl1@vt.edu

VIRGINIA OPERATION: MILITARY KIDS

www.operationmilitarykids.org

OMK encourages you to use your Wall of Heroes year round,
not just during April!! ☺
